What's New with QCTA

Firstly we would like to say thank you for bearing with us while the new President, Secretary, Treasurer & State Administrator find our feet. With all the State Carnivals behind us for 2023 we are already into the swing of starting to organise the 2024 Carnivals. Although some dates are yet to be confirmed, so please keep an eye on our Facebook Page, Website and emails for updates.

QCTA were lucky enough to secure funding from the State Government under an AIBF Grant. As part of the Grant QCTA will be holding "Come & Try days" in a range of disciplines in the next 3 months at locations throughout QLD. Our goal is to encourage more participants in the sport of Clay Target shooting along with showcasing the different disciplines. We will be sending an email out to clubs in the coming weeks for expressions of interests to host these Come and Try days. As part of our grant funding the QCTA will be engaging consultant groups to review our Constitution along with implementing a Strategic Plan and reviewing all the current Policies and Procedures.

Important information for Club Affiliation Renewals

With the upcoming Club Affiliation renewals, the ACTA will be sending out an email advising on the new process on how to renew. This process will now be electronic. This information is very important for clubs to read as there will be a couple of parts to renewing clubs memberships which will filter down to the members. All clubs will be required to vote, renew then pay. If you do not vote it will not allow the clubs to progress further. This must all be done by the 31st December to ensure that club affiliation is continued.

Commonwealth Carnival

The QCTA will be hosting the 2024 Commonwealth Carnival.

As more information becomes available we will keep you up to date via email.

Regards,
Gerard Battiato
QCTA President
